

HORIZONTAL & VERTICAL OSCILLATING FAN

Take functionality and versatility to a whole new level with multi-directional airflow, 11 height settings, 12 fan speeds, and horizontal and vertical oscillation that can operate simultaneously or independently. Add to that 3 unique fan modes: normal mode, nature mode for a more natural outdoor-like breeze, and night mode for ultra-quiet operation. pureFlow CIRCULATOR does it all! Cool the ceiling, cool the floor, cool the corners, cool the door!

pureFlow CIRCULATOR cools effectively with its unique dual blade technology that produces 7 times more air volume than a normal fan while still consuming minimal energy - as low as 2 watts! The exclusive nature mode replicates the natural outdoor variable breeze and sleep mode produces a quieter relaxing breeze. The possibilities are endless, comfortable, cool and convenient with pureFlow CIRCULATOR!

Benefits of pureFlow CIRCULATOR

 Safety-First Design

 Whisper Quiet Operation

 Energy Efficient

 Powerful Airflow

 LED Controls and Remote

 Easy to Clean

pureFlow **CIRCULATOR**

BY GREENTECH

The Technologies

Unique Settings

Nature Setting will blow the air around the room at different speeds and directions to create a more natural environment in your room. Night Setting reduces the fan noise to almost silent for a peaceful night's rest while still maintaining a calm comfortable breeze.

Dual Blade Technology

The double structure fan blade produces two different air speeds that rotate together to form a strong air stream that can reach as far as 40 feet.

Simultaneous Oscillation

Choose between Horizontal, Vertical, or Simultaneous Oscillation. By selecting both oscillation features, the fan will change directions freely to circulate the air throughout the entire room.

Height Adjustable

Press the rear button on the back of the stand to adjust the fan height to use it either as a desk fan or a floor fan.

Product Specifications

Performance

- Affected Area: 50ft Multi-Directional Airflow
- CFM: 710
- Quiet Operation (As low as 13 dB)
- Adjusts Vertically 105 Degrees
- Oscillates Horizontally 90 Degrees
- Remote Control: Controls Power, Fan Speed, Timer Function, Oscillation
- Warranty: 2 Year Manufacturer's Warranty

Unit

- Unit Dimensions: 29.5"- 37.4" H (750-950 mm) x 13.4" W (340 mm) x 13.00" D (330 mm)
- Weight: 8 lb (3.63 kg)

Power

- Power Input: 100 - 240 VAC | 50/60 Hz | .65A MAX
- Power Output: 12 VDC | 3.0A
- Power Usage: 2.2 - 26 W

Shipping Specifications

- **Product Name:** pureFlow CIRCULATOR
- **UPC:** 817556020150
- **Master Carton GTIN:** N/A
- **Box Dimensions (HxWxD):** 26.6" (676mm) x 14.4" (366mm) x 10.6" (269mm)
- **Box Weight:** 11 lb (5 kg)
- **Box Cube:** 28.2
- **Pallet Quantity:** 24
