

pureHeat **TABLE**

Indoor/Outdoor Table Heater

The outdoor patio is the place you'll want to be with this surprising twist on the traditional garden table. Whether you're having a romantic evening for two or a party with friends, pureHeat TABLE will give you warmth on those chilly autumn evenings and provide just the right atmosphere with subtle ambient mood lighting.

pureHeat TABLE is energy and cost efficient by radiating warmth only when someone is sitting at the table. Its tempered glass top provides an elegant setting for the enjoyment of all of your guests. Gather everyone around pureHeat TABLE for a beverage, food, fun, and conversation and make those memorable nights outside last even longer!
